SYMPOSIUM

16TH ANNUAL INTERNATIONAL SYMPOSIUM ON LIVER AND IBD REVIEW

This event is sponsored by unrestricted educational grants from our partners and sponsors.

GENERAL INFORMATION

Our International Symposium on Liver and IBD Review is now in its 16th year and will be held in-person at the Pan Pacific Toronto Hotel. We are so glad that we are back to some form of normalcy as this is our third in-person event since June 2022. Due to the IMC Guidelines, we had to move away from Blue-Mountain, but the event still has all the elements to make it a great learning opportunity for all.

This year's Symposium has been designed to offer riveting, thought-provoking scientific talks given by engaging, high-calibre international and Canadian presenters – we have three Keynote Addresses planned! New this year, we have added a Short Snapper Breakfast Session sponsored by our industry partners – we hope you will find it informative and that it will engender much discussion. As always, the goal is for delegates to take what they have learned back to their respective clinics/practices. Our Symposium mobile app is interactive so plan to take some time to visit with our sponsors and have some fun while participating in our Mystery Box draw!

As always, we have coupled this scientific program with a unique social program that will surely allow you to recapture your youth. Our President's *Denim and Diamonds* Welcome Dinner will have you dancing the electric slide and enjoying some succulent Texas barbecue and fixings! And don't forget to dress the part in your blue jeans, boots, and bling while you rock the night away to a mix of country music. You are in the right place as Dr. Ching has the right prescription to pick you up and warm your spirit during these cold winter months.

WELCOME MESSAGE

MESSAGE FROM THE SYMPOSIUM CHAIR

Dear Colleague,

We can't wait for another in-person meeting this winter after the two years of virtual meetings due to the COVID hiatus. We look forward to another opportunity to learn and get a few updates in IBD and Liver while getting together to mingle and relax with friends and colleagues. We incorporated many programs such as our industry sponsored Breakfast Time Short Snappers to bring highlights and take home practice pointers. We like to keep our Symposium practice relevant and so, we invited a few international topnotch experts to give Keynote Addresses in both IBD and Liver. Of course, we brought back our popular Debate and Case Panel Discussion to generate some hot discussions between the speakers and audience.

This year, we will be hosting our Symposium at the Pan Pacific Toronto Hotel with easy highway access and close proximity to several upscale shopping centres and attractions like the Ontario Science Centre. We hope to kick off the Symposium with some fun and relaxation on Friday evening with our Welcome Dinner themed party "Denim and Diamonds" while enjoying some sumptuous southern Texas barbecue. You are welcome to dress the part by donning your blue jeans, boots and lots of bling, and plan to show off your line dancing skills on the dance floor. Delegates with family, no need to worry, as your kids will be well taken care of with our planned Children's Program on the Friday evening. We encourage the kids to join us for the line dancing segment. We look forward to seeing you there!

Warm regards,

LEARN TO LINE DANCE

Our DJ from Platinum Entertainment plans to keep you tapping your feet as you sit on bales of hay while chatting with friends and colleagues over drinks! They will keep you entertained all night long while you have fun learning how to line dance and slide to electric boogie! Our live dance instructor will help you learn the steps but, in the meantime, get a few lessons in by watching the instruction videos below. Children are a lot of fun so get them learning the steps as we plan to include them as part of this dance party. There will be a dance off at some point in the evening for a fabulous prize! You don't want to miss it!

CANCELLATION AND NO-SHOW POLICY

Non-Cancellation Will Cost You...

Did you know that as an OAG member, if you register for the OAG Symposium, but do not attend, your non-attendance costs the OAG approximately \$1,000 (Hotel accommodation, breakfasts, dinners, nutrition breaks and administration?) The OAG office is required to give guarantees to the hotel/venue at least four (4) business days prior to the beginning of any Symposium. Therefore, by giving meal number guarantees you are included in the hotel room count and meal numbers for the entire Symposium unless you notify our office, within the time specified, that you are cancelling your registration. It is the fiduciary responsibility of the Board of Directors to ensure that the OAG's monies are spent wisely.

The OAG has implemented a policy for Symposium delegates – it is mandatory that you provide a valid credit card number to register for the Symposium and specific events. Your credit card will not be charged unless you do not attend and neglect to notify the OAG office by the cancellation deadline (as indicated on the registration form.) The amount that will be charged to your credit card is the fee for one night's hotel accommodation and your meals – approximately \$1,000.

If you need to cancel your registration, please refer to the Symposium registration form and contact the OAG office - you will receive a cancellation number as your validation.
